

The Minion Game

Kevin and Stuart want to play the 'The Minion Game'.

Game Rules

- Both players are given the same string, S .
- Both players have to make substrings using the letters of the string S .
- Stuart has to make words starting with *consonants*.
- Kevin has to make words starting with *vowels*.
- The game ends when both players have made all possible substrings.

Scoring

A player gets +1 point for each occurrence of the substring in the string S .

For Example:

String $S = BANANA$
Kevin's vowel beginning word = ANA
Here, ANA occurs twice in BANANA. Hence, Kevin will get 2 Points.
